Precautions for Firefighters:		this prod	uct is involve	d.				
6. Accidental Release Measures:								
Personal Precautions, Protective		See Section 8 "Exposure controls/personal protection"						
Equipment and Emergency Procedures:								
Methods for Containment and Clean-Up:		Isolate spilled material for safe disposal and collect in sealable polylined containers, clean contaminated area with water. Prevent water from entering drains.						
		Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. See also Section 13. Disposal Considerations.						
7. Handling and Storage:								
Precautions for Safe Handling:		Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove clothing/PPE immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing. Remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.						
Conditions for Safe Storage:		Keep container tightly closed when not in use. Store below 75°F. See also Section 10. Stability and Reactivity.
